### TEAMUP CALENDAR

Keep informed of all the activities and details using the Teamup app or view the calendar on our website. Use the QR code to connect to our calendar or see Midshipman (NL) Kennepohl in the ship's office to get added.

## Attendance

Regular attendance allows cadets to rank up and for Cadets that are part of band or colour party, it allows them to maintain their positions in these divisions.

Please remember that drop off time on Parade night is 6:30 pm; to ensure your child's safety we ask that cadets are not dropped off early.

If your cadet is not able to make it to practice on Mondays or to regular parade on Wednesdays, please call to report the absence at 807-345-5109.

By calling in this marks the cadet as excused and does not affect their attendance. If your cadet is having any issues at cadets please let one of the officers know so we can work together to solve any issues.

## Stand-Easy

### SNACK TIME

Please remember to send your cadet with \$1 every week to help pay for their Stand-Easy snack. Half way through the night we take a break and provide the cadets with a small snack to recharge for their second half of training.

## Additional Information

### ATTACHED HANDOUTS

We have attached the Parent Handbook and the Uniform Maintenance book to ensure everyone has received a copy. Please note that in the Uniform Maintenance book there is a copy of the uniform loan agreement that was missed in this year's registration paper work, we ask that you take the time to sign it and return it to the ship's office as soon as possible.

Along with the attached handout we have included the Navy League of Canada 125<sup>th</sup> Anniversary Pin for your cadet to wear. The pin is to be worn above the left pocket, centered in line with the pocket button.

Along with the Teamup Calendar we have a private Facebook group for parent/guardians of the cadets. <https://www.facebook.com/groups/NLCC28Thunder/>

Periodically the Admin Officer or the Branch send out communication emails to help keep you up to date on our activities. If you did not include an email address on the registration form, or if you did and you haven't received any emails, please see Midshipman (NL) Kennepohl to add/verify your email address so you don't miss out.
